ORDER

The United States has submitted an application pursuant to 18 U.S.C. § 2703(d), requesting that the Court issue an Order requiring AT&T Corporation, an electronic communications service provider and/or a remote computing service located in North Palm Beach, FL, to disclose the records and other information described in Attachment A to this Order.

The Court finds that the United States has offered specific and articulable facts showing that there are reasonable grounds to believe that the records or other information sought are relevant and material to an ongoing criminal investigation.

The Court determines that there is reason to believe that notification of the existence of this Order will seriously jeopardize the ongoing investigation, including by giving targets an opportunity to flee or continue flight from prosecution, destroy or tamper with evidence, change patterns of behavior, or notify confederates. *See* 18 U.S.C. § 2705(b)(2), (3), (5).

IT IS THEREFORE ORDERED, pursuant to 18 U.S.C. § 2703(d), that AT&T Corporation shall, within ten days of the date of this Order, disclose to the United States the records and other information described in Attachment A to this Order.

IT IS FURTHER ORDERED that AT&T Corporation shall not disclose the existence of the application of the United States, or the existence of this Order of the Court, to the subscribers of the account(s) listed in Attachment A, or to any other person, unless and until otherwise authorized to do so by the Court, except that AT&T Corporation may disclose this Order to an attorney for AT&T Corporation for the purpose of receiving legal advice.

IT IS FURTHER ORDERED that the application and this Order are sealed until otherwise ordered by the Court.

SO ORDERED, this the 11<sup>th</sup> day of December, 2015.
